Dear Prof. Zhenyao Sun,

We are very glad for your participation in the conference on Probability and Statistical Physics, Jan. 6 – 10, 2025, and we sincerely invite you to give a talk in this conference. We would appreciate it if you could send the title and abstract to us no later than December 13th.

Hoping to see you in Sanya!

Best regards,

On behave of the organizers,

Professor Yuval Peres -- BIMSA
Professor Senya Shlosman -- Skoltech Center of Advance Studies
Professor Fan Yang -- Tsinghua University
Doctor Xiangyu Huang -- Tsinghua University
Doctor Yun Li -- Tsinghua University

Miss Yuezhao Zhang -- Tsinghua University

> >
> > The major goal of the conference is to bring together the leading experts and early-career researchers in the field of probability and statistical physics, with the overall goal to present the most active

research in current times and discuss future directions.

On behalf of the organizers, it is my pleasure to invite you to participate in this conference. We will provide meals and accommodation free of charge at the TSIMF. To participate the TSIMF conference, we would appreciate it if you could fill out the receipt as attached and send it back to us no later than **December 13, 2024**. Typically, we would expect you to arrive on Jan. 5 (check-in after 3:00 pm), with the check-out date on Jan. 10 (check-out before 3:00 pm).

For more information about the TSIMF and the workshop, please kindly find the attached "Important Rules and Must-knows about the TSIMF".

If you need further information, please feel free to contact Miss Yuezhao Zhang (sanya@mail.tsinghua.edu.cn).

Hoping to see you in Sanya!

Best regards ,

On be half of the organizers,

Professor Senya Shlosman - Skoltech Center of Advance Studies

Professor Yuval Peres - BIMSA

Professor Fan Yang - Tsinghua University

Doctor Yun Li - Tsinghua University

Doctor Xiangyu Huang - Tsinghua University

Miss Yuezhao Zhang - Tsinghua University
